KUMARAN R, PRIYANKA OF 2<sup>ND</sup> YEAR IT

அது ஏனோ தெரியவில்லை

வெறுப்புகள் யாவும் மறைந்து போயின  
பாரங்கள் யாவும் இலகுவயின

உன் சின்னஞ்சிறு கரங்களை நான் பிடித்த  
பொழுதில்.

Life is like a leaf

At beginning it is so colorful and cherished  
as with full of joy.

After a stage it'll get fallen ,get dried as  
hopeless.

At finally after the realization, it is fallen  
because to manure the surrounding.  
So as the human life.

Marriage is an act of will that signifies  
and involves a mutual gift, which  
unites the spouses and binds them to  
their eventual souls, with whom they  
make up a sole family

“Life depends on water, reservoir depends on  
you”

காலையில் தினந்தோறும் எழுகையில்  
உன் முகத்தினை தேடுகிறேன் எனதருகில்,

உண்ணும் வேளையிலும் உனை  
தேடுகிறேன் எனதருகில்,

புன்னகைக்க கூட இயலவில்லை  
என்னால் நீயின்றி,

தினந்தோறும் பிரார்த்தனை, வேகமாய்  
நாட்கள் நகர வேண்டி.

நண்பா .....

விடுமுறை நாட்களில் நான்.

– Kumaran R

In my life you are like a camera...  
Because all the best moments in my  
life  
Are captured with you.

தனிமை தருணம் என்பது யாதெனில்

ஒருவனின் வாழ்க்கையே உடைந்து  
நொறுங்கும் சூழல் வந்தும்

அவனால் அதனை திருத்த இயலாமல்  
வெறும் வேடிக்கை மட்டுமே பார்க்கும்  
தருணமாம்.

In the era of  
fakism and  
detachment,  
there is one,  
who personifies  
love,  
an epitome of  
delight,  
pacifies the  
broken souls,  
exhilarates the  
world.  
In the world of  
people hating  
themselves and  
their lives, he  
feels privileged  
to live a  
purposeful life  
of a single day.

no replacement  
in the world.
