STUDENTS CORNER

FROZEN FRAMES.....

By Guru Vishnu II yr IT

Everyone wishes to be.....
The night that calms up the world
The brightest star in the sky
The morning that awakens everyone
The cool breeze that chills up our mind
The rain that showers happiness
The smile that's on everyone's face
The oxygen that all species need
The blossom that smells good
The tree which gives shadow
The mesmerizing sunrise that is admired
The rainbow which is colorful
The bird that crosses miles across the sea
The music that melts our heart
The candy that is enjoyed and eaten
The currency that is very valuable
The success which is being appreciated But why not
"THE HUMAN"?
