#### 8. Provide details regarding the composition of the IQAC:

|  |                           |  |
|--|---------------------------|--|
| <ul style="list-style-type: none"> <li>Upload the latest notification regarding the composition of the IQAC by the HEI</li> </ul>                                  | <a href="#">View File</a> |  |
| <b>9.No. of IQAC meetings held during the year</b>   | <b>4</b>                  |  |
| <ul style="list-style-type: none"> <li>Were the minutes of IQAC meeting(s) and compliance to the decisions taken uploaded on the institutional website?</li> </ul> | <b>Yes</b>                |  |
| <ul style="list-style-type: none"> <li>If No, please upload the minutes of the meeting(s) and Action Taken Report</li> </ul>                                       | No File Uploaded          |  |
| <b>10.Did IQAC receive funding from any funding agency to support its activities during the year?</b>  | <b>No</b>                 |  |
| <ul style="list-style-type: none"> <li>If yes, mention the amount</li> </ul>   |                           |  |

#### 11. Significant contributions made by IQAC during the current year (maximum five bullets)

1. Self Study report prepared and submitted for Third Cycle of Accreditation.

2. Minor Specialization implemented.

3. Faculty training on Universal Human Values and Workshops on IPR and Entrepreneurship to faculty and students conducted

4. Intensive Coaching to competitive Exams through CEED.

5. Implemented UN Sustainable Development Goals in Final year students Project Work.

**12. Plan of action chalked out by IQAC at the beginning of the academic year towards quality enhancement and the outcome achieved by the end of the academic year:**

| Plan of Action                             | Achievements/Outcomes   |
|--|---|
| NAAC Accreditation                         | A++ with 3.62 CGPA  |
| NBA Accreditation to all UG Programmes     | 12 Programmes Accredited out of 13  |
| Top 100 in NIRF under Engineering Colleges | Achieved 108th Position   |
| Collaboration                              | MoUs signed with BGMEA University of Fashion and Technology and ICAR-Sugarcane Breeding Institute for research and knowledge transfer |
| Promotion of research Culture              | Research Centres increased  |

**13. Was the AQAR placed before the statutory body?**

Yes

- Name of the statutory body

| Name of the statutory body | Date of meeting(s) |
|----------------------------|--------------------|
| Governing Council          | 03/02/2023         |

**14. Was the institutional data submitted to AISHE ?**

Yes

- Year

| Year      | Date of Submission |
|-----------|--------------------|
| 2021-2022 | 19/01/2023         |

### 15. Multidisciplinary / interdisciplinary

- UG and PG Programmes are introduced in both multidisciplinary and interdisciplinary fields in the last 5 years, which include (i) Information Science and Engineering, (ii) Artificial Intelligence and Data Science, (iii) Data Sciences and (iv) Technology Management.
- Minor Specialisations are offered in the domains of (i) Cyber Security, (ii) 3D Printing, (iii) Internet of Things, (iv) Data Sciences and (v) Network Programming.
- In addition, many 3-credit courses (currently 159 courses) are offered to the students of all the branches as a part of Open Electives to encourage the interdisciplinary approach and culture among the students.

### 16. Academic bank of credits (ABC):

- In order to facilitate the transfer of credits into Academic Bank, data capturing of credits completed by individual students, every semester, has been implemented with suitable ERP system.
- KCT has expressed the willingness to be a part of National Academic Depository to the University, which is the essential step towards ABC.

### 17. Skill development:

- Courses are introduced from semester I onwards in order to enhance the soft and hard skills of the students (Engineering Clinics).
- Hard skills are enhanced with the more number of one-credit courses, value added courses and internships.
- Soft skills are enhanced with the introduction of (i) additional Indian languages - Hindi, (ii) foreign languages - German, Japanese and French, (iii) problem solving - related courses in VI / VII semesters and (iv) activities through 35+ clubs and forums for improving skills related to team work, advocacy and conflict resolution

### 18. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Human Value / Excellence Department offers Value Based Courses from I to VII Semesters as given below. (i) Personal values (ii) Inter-Personal values (iii) Family Values (iv) Professional Values (v) Social Values (vi) National Values (vii) Global Values. In addition, courses that links Indian Culture and Tradition are offered as the Open Electives (6 Courses) to the students. A course on "Indic Culture" has been introduced as the mandatory course to the students of newly introduced programme - Artificial Intelligence and Data Sciences.

#### 19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

KCT introduced Outcome Based Education (OBE) in 2014 and Choice Based Credit System (CBCS) in 2015, which emphasized on honing the skills and knowledge of the graduates. The courses of all the programmes are categorised into Humanities and Social Sciences (HS), Basic Sciences (BS), Basic Engineering Sciences (ES), Professional Core (PC) and Cluster Courses, Professional Electives (PE), Open Electives (OE) and Project Work (PW) . Programme Educational Objectives (PEO), Programme Outcomes (POs - also known as Graduate Attributes), Programme Specific Outcomes (PSO) are framed, considering the following features. The course outcomes (CO's) are designed to align with the Programme Outcomes (PO's) and Programme Educational Objectives (PEO's) . Accordingly, every students learns to demonstrate skills and attitude with concepts at the end of every course.

#### 20.Distance education/online education:

KCT, as an Autonomous and affiliated Institution, is not eligible to offer distance education and online education. However, KCT encourages the students and faculty members to register online courses offered by NPTEL and SWAYAM platforms and provide credit equivalence to the students and suitably recognize in the case of faculty members in their performance appraisal system.

## Extended Profile

| <b>CURRICULAR ASPECTS</b>  |                           |  |
| <b>1.1 - Curriculum Design and Development</b>   |                           |  |
| 1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which are reflected in Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs) of the various Programmes offered by the Institution.   |                           |  |
| <p>In line with Vision of the Institute, KCT strives to provide Outcome Based Education (OBE) - deriving its ability to design and develop curriculum to ensure relevant and updated regulation, curriculum and contents to match the emerging trends and industry-demanded skills (21st Century Skills). Accordingly, Programme Educational Objectives (PEO), Programme Outcomes (POs), Programme Specific Outcomes (PSO) are framed,</p> <p>Policies/Courses developed by DST, UGC, AICTE related to skill</p> |                           |  |

development, employability, innovation and entrepreneurship are integrated into curriculum, besides technical (profession) courses, to ensure the relevance with respect to needs of the Nation. POs are set based on guidelines given by NBA and thereby incorporating global perceptions of outcomes into UG/PG Programs. PSOs are designed considering the graduate profile (Knowledge - Skill - Attitude) recommended by Professional Bodies such as, ASME, ASCE, SAE, IEEE, ISA, CSI, ACM, ACS and SDC thereby focusing on technical, societal and global needs. POs and PSOs are delineated into different courses, characterised by relevant Course Outcomes (CO). Correlation of COs with POs and PSOs are established for all the identified courses with prerequisites.

## 1.3 - Curriculum Enrichment

1.3.1 - Institution integrates cross-cutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability, and Human Values into the curriculum

KCT aims to provide a holistic education, keeping the curriculum a

dynamic and updated one. Curriculum is revised to incorporate crosscutting issues related to Ethics, Gender, Human Values, Environment and Sustainability into core, electives and other courses. Program Outcomes include major criteria like (i) Disciplinary Outcomes, Transferable Skills, (ii) Complex Engineering Problems and (iii) Contextual Knowledge - Ethics, Environment and Sustainability, and Engineer and Society in specific. Courses specified in curriculum are mapped with these outcomes and facilitating exposure to cross-cutting issues through academic regulation and curricular interventions.

Many pressing issues that cut across nationally and internationally (emphasised by UN SDGs), including global warming, water, pollution, health and hygiene, clean energy, infrastructure, sustainable cities and gender equity (in particular women in leadership -Reduce inequalities), responsible consumption and production are offered as the disciplinary courses.

Autonomous Regulation of KCT offers Gender and Human Values related courses from First Semester to Seventh Semester, by Department of Human Excellence. These courses have focus on sathya (truth), dharma (justice), prema (love), shanthi (peace) and ahimsa (non-violence) incorporated in (i) Family Values, (ii) Social Values, (iii) National Values, (iv) Global Values, (v) Professional Values, (vi) Indian Constitution and (vii) Environmental Science to instil discipline among the students to be socially responsive towards environment and society (Contemporary issues that result in environmental degradation highlights the importance of ecosystem and biodiversity).

| File Description  | Documents                 |

| Any additional information                                    | <a href="#">View File</a> |
| Number of seats filled against seats reserved (Data Template) | <a href="#">View File</a> |

### 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses students' learning levels and organises special programmes for both slow and advanced learners.

KCT aims to attract students with different backgrounds (socio-economical, communal, medium-of-study and geographical), abilities (differently abled, involvement in sports) and aims to give a holistic education to everyone. Competency-skill assessment is carried-out to identify students with different learning abilities

to design course deliveries.

Students with biology background are offered additional sessions related to software coding to cope-up with other students.. For Courses like Mathematics, Programming Languages, Digital Signal Processing, Strength of Materials where the students' performance was low, students are guided through remedial classes to enhance the outcomes in the evaluation. Students who are unable to complete the courses successfully in the end-semester examinations, are provided an opportunity to re-learn the course (even for a strength of one student) through Summer/Winter Tracks, monitored centrally through Controller of Examinations and respective Department Heads.

Students with fast-learning abilities are formed into different cohorts to learn science-with-projects, design-thinking, intellectual property rights, paper publications and mini-projects, in addition to regular courses. They are offered additional one-credit courses in the first semester itself on STEM related topics. Students with English language proficiency are provided opportunities to learn Hindi, French, German and Japanese to improve their academic profiles.

CLED and Re` offers Lecture Series, Certificate Courses and sponsorships to attend various programmes on the basis of merit. Fast learners identified by faculty mentors, Heads of Departments are funded to become members in Professional Bodies (IEEE, IE, FPSI, AIDAT, CMA, NHRD) to learn additionally, relevant to their fields.

| File Description                      | Documents                 |

### 2.2.2 - Student – Teacher (full-time) ratio

| Year       | Number of Students | Number of Teachers |
|------------|--------------------|--------------------|
| 01/01/2022 | 5886               | 357                |

| File Description                  | Documents                 |
|-----------------------------------|---------------------------|
| Upload any additional information | <a href="#">View File</a> |

## 2.3 - Teaching- Learning Process

2.3.1 - Student-centric methods such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences:

Student-centric learning methods are introduced as a hub-spoke model in KCT, where teaching - learning activities to meet curricular requirements are carried out by academic departments, while Re, iQube, Garage, CLED, KCIRI and Forge to involve students in co-creation of various learning modules, delivering additional lectures/courses through peer-learning and build confidence levels of the students.

### Experiential learning

1. Embedded courses
2. Simulation based experiments in laboratories, industry sponsored facilities with commercial scale experiments.
3. Workshops with computer-based learning.
4. Industrial visits/field visits / Internships.

### Participative learning

1. Students joining with faculty members in executing projects funded by the industries, Government agencies thereby providing opportunity to understand higher level concepts in their domains, get hands-on experience in handling equipment, instruments and machines.
2. Handling the classes to the junior students by seniors, mentoring by alumni, laboratory courses, preparation for competitive examinations,
3. Short courses, lectures, workshops and demonstration sessions.

### Problem Solving

1. Offering courses that leads to diagnosing a problem and providing solutions
2. Tutorial component is introduced in the analytical courses, wherever required.

3. Intra-mural hackathons to enhance the learning experience, implement the understanding and improving abilities of students to provide solutions to complex problems.

4. Designing and developing new products to participate in various competitions.

5. Pre-placement internships in companies to solve problems and Executing capstone projects.

2.3.2 - Teachers use ICT-enabled tools including online resources for effective teaching and learning

To enhance the learning experience, to provide better user-experience, state-of-the-art educational technologies are employed in the teaching-learning process. KCT has laid the optical fibre cable connecting every part of the campus for quick and easy access of contents from the Intranet / Internet, WiFi connectivity in the classrooms. All the faculty members of KCT own personal laptops. Students are encouraged to use the facilities available in the institution and needy students are supported through financial assistance schemes of the Institute / facilitating bank loans to purchase computing systems.

Software required for simulation, analysis and animation are purchased and students are permitted to use them remotely also. All the classrooms are equipped with LCD projector, system connectivity and Internet. Besides, every academic block is equipped with Interactive Smart Board with wider features for enhancing the teaching. Video conferencing, Skype facilities are made available for interacting with experts, alumni and peer groups for value added discussions related to emerging topics.

KCT has signed an Institute-wide license with Microsoft (AI License) Teams for conducting on-line classes and, KOED (Kumaraguru Online Education) portal combines MS Teams with Learning Management System, which further facilitates, uploading course materials, video lectures created by faculty members,

automatic capturing of student attendance, posting of continuous assessment questions and marks, semester-end marks and processing of the results and awarding the grades.

### 2.3.3 - Ratio of students to mentor for academic and other related issues

#### 2.3.3.1 - Number of mentors

354

| File Description  | Documents                 |
|---|---------------------------|
| Upload year-wise number of students enrolled and full-time teachers on roll | <a href="#">View File</a> |
| Circulars with regard to assigning mentors to mentees                       | <a href="#">View File</a> |

### 2.3.4 - Preparation and adherence to Academic Calendar and Teaching Plans by the institution

Activities of the Academic Year are planned in advance considering the inputs received from the Academic Section, Controller of Examinations, Student Affairs, Activities of Statutory Bodies, Government (Holidays), Accreditation related activities, Support Systems and, Clubs and Societies. Preparation of such a comprehensive calendar helps KCT to optimize the resource utilisation, planning the Institution level events like sports day, techno-cultural events, graduation day and celebration of other important days.

#### Teaching Plan -Preparation and Adherence

Course plan is prepared ahead of the semester and approved by the module coordinator and Head of the Department. Course plan contains details about the name of the faculty, designation, programme to which the course is offered, semester, regulation, academic year, course category (theory/lab/theory with lab) and credit. The course plan starts with syllabus content along with

contact hour requirements. For common courses (I Year), Mandatory Non-credit Courses, Open Electives, common course plans are prepared by the Course Committee and given to all course handling faculty members. It includes pre-requisite details, course outcomes with Bloom's Taxonomy level and assessment scheme for the specified course outcomes. Entire syllabus is logically divided into number of sessions as per the curriculum, along with formative assessment, assignment topics, and self-study topics if any.

| Any additional information   | <a href="#">View File</a> |

### 2.5.2 - Number of students' complaints/grievances against evaluation against the total number who appeared in the examinations during the year

417

| File Description  | Documents                 |
|---|---------------------------|
| Upload the number of complaints and total number of students who appeared for exams during the year | <a href="#">View File</a> |
| Upload any additional information   | <a href="#">View File</a> |

2.5.3 - IT integration and reforms in the examination procedures and processes including Continuous Internal Assessment (CIA) have brought in considerable improvement in the Examination Management System (EMS) of the Institution

KCT has implemented fully flexible choice based curricular system integrated with KITE portal. Each student has the option, enabled through software, to select their choice of courses, faculty, and timetable during the course enrolment. Preparation of examination calendar, activities related to selection and appointment of examiners for question paper setting, online scrutiny of question

papers for correctness, calculation of Continuous Assessment Marks (CAM), processing of CAM with finalevaluation, declaring results, submission of requests for revaluationare carried out through software system with complete transparency. Dissemination of information related to examination schedule, hall and seating arrangement and issue of Hall Ticket to students are sent through personalised modesfor easy access.

IT systems are deployed to conduct online examinations with appropriate front and backend software support (to ensure the robustness and scalability), video and artificial intelligence based proctoring (AI proctoring with alerts/warnings, prevention of multi-tasking), which mitigates the malpractices and improve the confidence on the examination system of KCT, reinforce the ethical practices in the learning process. Entire process may be reviewed and audited in the digital form with continuous image capturing Status courses completed, credits earned against degree requirements, grades are accessible to the students and parents through the ERP System.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme Outcomes and Course Outcomes for all Programmes offered by the institution are stated and displayed on the website and communicated to teachers and students

### Framing / Stating of Outcomes

Curriculum of a programme offered in KCT is designed and developed based on Program Educational Objectives, Program Outcomes/Program Specific Outcomes and Course Outcomes

Dissemination of the PEOs, POs and PSOs

1.Stakeholders:Management and Members of Governing Council

Process of Dissemination: Published in Regulations, website, Department Newsletter

2.Stakeholders: Parents

**Process of Dissemination: Published in Website****3.Stakeholders: Faculty/ Students****Process of Dissemination:Discussed in Induction**

Programmes,Published in Regulations & Curriculum book, Department Newsletter,Posters in Teaching Venues,Website

**Dissemination of COs**

Course Outcomes of each course are given as a pre-reading material in the curriculum, placed before the syllabus to enable the students and others to understand and appreciate the expectations from them at the end of the course – the capabilities the students will be able to perform / demonstrate. While framing assessment and evaluation questions, course outcomes are considered to allocate the proportion of marks, to justify their mapping strength POs and PSOs.

| File Description   | Documents                 |
|--|---------------------------|
| Upload COs for all courses (exemplars from the Glossary) | <a href="#">View File</a> |
| Upload any additional information                        | <a href="#">View File</a> |
| Link for additional Information                          | Nil                       |

**2.6.2 - Attainment of Programme Outcomes and Course Outcomes as evaluated by the institution**

Attainments of POs and PSOs are evaluated through direct & indirect measures. Target levels of POs and PSOs are set and the actual attainment of POs and PSOs are calculated. Analysis and review, improvements are made in all the relevant activities to enhance the actual attainment levels.

COs of all the courses are mapped with POs, i.e., CO-PO Mapping Matrix. Course instructor measures attainment of CO, subsequently, CO attainment of each course is mapped to related Program Outcomes. Program Outcome attainment is calculated using the average values of the relevant CO attainment values. If the POs/PSOs attainment is less than the target, the DAB has to identify possible ways to improve students' performance, in consultation with the concerned course coordinator, in terms of course content preparation, delivery and assessment.

Sample calculation of CO, PO and PSOs is furnished in the Additional Information.

Indirect methods considered for calculating POs/PSOs include program exit survey, alumni survey and employer survey. The average score of the questionnaires are calculated as indirect attainment of POs and PSOs and discussed in the Board of Studies and Academic Council Meeting.

### 2.7 - Student Satisfaction Survey

#### 2.7.1 - Student Satisfaction Survey (SSS) on overall institutional performance (Institution may design its own questionnaire). Results and details need to be provided as a weblink

[https://aqar.kct.ac.in/2/2021-22/2\\_7/SSS.pdf](https://aqar.kct.ac.in/2/2021-22/2_7/SSS.pdf)

### RESEARCH, INNOVATIONS AND EXTENSION

#### 3.1 - Promotion of Research and Facilities

3.1.1 - The institution's research facilities are frequently updated and there is a well-defined policy for promotion of research which is uploaded on the institutional website and implemented

KCT has created different institution-wide research facilities to

foster research and innovation culture among students and faculty members.

#### Research Facilities:

iQube helps tech enthusiasts to convert their innovative ideas into commercially viable and technically challenging prototypes.

Garage is a student involved Product Development - Research Centre of the automotive sector. Students here design and construct vehicles that include terrain vehicle, supra vehicle, quad bike, dirt bike, go - kart and solar karts.

Research and Exploration (Ré) instigates a research culture among the student support in provide engineering solutions to world problems by mentoring, guiding and incubating students' research projects.

Kumaraguru Centre for Industrial Research and Innovation(KC.IRI) is a focused Research & Innovation ecosystem in symbiotic collaboration with Industries for the promotion of industry-specific applied research, innovative product development, advanced learning and skill development programmes. It connects Industry with KCT academia to facilitate research, development, and process improvement in industries.

Coimbatore Innovation and Business Incubator (CIBI) provides a platform to students, faculty members and public to incubate new ideas into new products/processes.

KCT has established 11 collaborative laboratories, with industries to understand concepts, modify and develop new processes and products , and 12 Department Research Centres to facilitate Ph.D programmes.

#### Research Policy:

KCT has a well-defined policy for promoting research within an institution which creates a culture of innovation and excellence with impactful research.

### 3.3 - Innovation Ecosystem

3.3.1 - Institution has created an ecosystem for innovations and creation and transfer of knowledge supported by dedicated centres for research, entrepreneurship, community orientation, incubation, etc.

Research culture in the campus is ensured through academic initiatives, forming Focused Research Groups, students research bodies (Re`, iQube, Garage), Research as one of the verticals in the Students' Leadership Council, establishing Centre for Research, Laboratories with focused approach, recruitment of student interns, selecting Super-60 among fast learners and sponsoring to training programmes. Research Cell has been established to execute activities for students and faculty members.

Every Department has research laboratory to foster research culture. KCT has tie-up with Universities abroad to carry out research activities namely, Tel Aviv University Israel, NUS Singapore, Leeds University, Texas Tech University for joint research and conferences.

Forge as a partner incubator empowers Government, Industry, and Academia to exploit strategic opportunities through Innovation powered by deep-technologies such as artificial intelligence, data science, robotics, power electronics, augmented reality/virtual reality, and IoT. By combining frontier Technology and future-ready Talent, we help our Partners drive operational excellence outcomes and achieve business growth goals, through collaboration and co-creation with startups at speed and scale via a managed innovation framework.

Kumaraguru Centre for Industrial Research and Innovation creates an Innovation ecosystem in collaboration with Industries for the promotion of industry-specific applied research, innovative product development, advanced learning and skill development programmes focusses on four domains of service such as Industrial Research and Consultancy, KCT Innovation and Project Development,

### Skill development and Manufacturing and Advanced learning programmes

### 3.6 - Extension Activities

3.6.1 - Extension activities carried out in the neighbourhood sensitising students to social issues for their holistic development, and the impact thereof during the year

KCT extends support to the neighbourhood communities to provide basic supports, enhance the lifestyle of people, training on good practices and, address health and education related issues.

#### NamadhuPangu (NP)

- Adopted 5 village panchayats and about 140 litres of milk distributed to 780 school children on every Friday
- Rural Learning Centre conducts classes to 30 school students from Monday to Friday every week.
- Vacation camps for school children are conducted every year to showcase and enhance their talents

#### National Service Scheme (NSS)

- Involves in Voluntary activities, Eye camps, Blood donation, Tree plantation, and 7 days special camp in villages

#### National Cadet Corps (NCC)

- Swachh Bharat activities, Lake cleaning, Tree plantation

#### Rotaract Club

- Tree plantation, Eye camps in villages, Blood donation, Awareness on plastic eradication

**Microcosm**

Upcycling of products - Refurbishment of Plastics, clothes, slippers etc

Social Immersion Project (SIP)

Student Projects with NGO and nodal partners

**Clubs and Societies**

- Youth Red Cross of KCT focusses on First Aid and Disaster Management, Red Ribbon Club support for Aids Awareness programs.
- Road Safety Patrol conduct awareness programs on road safety impacting several lives of the public.

Nature Club, PudhuPaavai, UYIR Club, Gandhian Youth Movement, ABLE Club of KCT dedicated to the grass root work in the society.

## 4.2 - Library as a Learning Resource

### 4.2.1 - Library is automated using Integrated Library Management System (ILMS)

Mahatma Gandhi Central Library (MGCL) is the hub of KCT housed on the first floor of Mahalingam Vigyan Bhavan with a built-up area of 1714 sq.m. It is a Learning Resource Centre and offers Library services to all the Students, Research scholars, Faculty members, and all other staff members of the KCT. The Library follows open access system ([library.kct.ac.in](http://library.kct.ac.in)). The Central Library has a collection of 111094 printed books, 30,000 E-journals including IEEE ASPP, Springer, ASCE, ASME, J-Gate, Elsevier Science Direct, and

EBSCO Business Elite, 1200 E-Books, and 239 print journals and magazines. Remote access is provided to all the KCT users through INFED-INFLIBNET for accessing all the subscribed E-resources of MGCL. It has a collection of 7876 CDs/DVDs. NPTEL online courses (400 web and 500 video courses), hosted in one local server. The Library is fully computerized and automated by using Koha Library software integrated with RFID and Barcode Technology. An interactive touchscreen KIOSK facility is also available. WebOPAC (Online Public Access Catalogue) facility is available. Braille collection of Books are added to MGCL collection. NVDA (Non-Visual Desktop Access)-Screen reader software is installed in Digital Library to hear the audio of soft copy books/documents. KCT MGCL holds institutional membership with DELNET (Developing Library Network) for ILL (Inter Library Loan) and Document Delivery Services. KCT MGCL also holds a membership with the National Digital Library of India.

#### 4.3 - IT Infrastructure

4.3.1 - Institution has an IT policy covering Wi-Fi, cyber security, etc. and has allocated budget for updating its IT facilities

KCT provides campus-wide Internet, wired / Wi-Fi facilities (47 access points) and ERP software for campus management connected through 1 Gbps Internet bandwidth. KCT has IT Policy that governs, subscription (connection), usage and termination of usage by students, faculty members, technical and administrative staff members for teaching-learning, research and consultancy services, support services, security and surveillance inside campus. Policy includes (i) Rights and Responsibilities, (ii) Staff Responsibilities, (iii) User Responsibilities, (iv) Acceptable Uses, (v) Confidentiality and IP Agreement, (vi) Disclaimers and (vii) User Agreement. IT facilities of KCT includes (i) hardware and (ii) software facilities to connect various facilities and provide necessary facilities, services and supports. Entire Campus is connected through optical fibre cable (OFC) spanning over a length of 5950 Meters. Hardware facilities of the Campus include 1624 computers, 77 printers, Optical Character Recognition (OCR) machine, Dummy Number Preparation Machine, RFID / Barcode systems for campus entry and exit for both students and faculty members. 582 IP Cameras are installed at various locations in the campus for safety and surveillance. 70 Nos of Biometric devices are installed to mark the attendance. Security of the networks and

systems are managed by firewalls (Checkpoint 13500) supported by the Barracuda Appliance for email protection, applications and cloud security, network security and data protection. KSTEAR, KCTSmartApps, Kumaraguru Integrated Technology for Education (KITE), KOED-Kumaraguru Online Education are the softwares used in KCT.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities – classrooms, laboratory, library, sports complex, computers, etc.

The development and maintenance of infrastructural facilities in the campus has been one of the priority areas of activities in KCT. The management is committed to maintain and develop the campus as a user - friendly and eco - friendly space. The campus resources are administered by well established functional divisions with the defined responsibilities. Physical infra of each department is taken care by a faculty Infra Coordinator. Electrical maintenance, network related repair & maintenance works , Air-conditioning (AC) maintenance are registered through an online portal with a ticket number through online portal ([www.smartapps.kct.ac.in](http://www.smartapps.kct.ac.in)). The closure of the work is communicated to the faculty/staff member who registered the work in the portal. Well-staffed housekeeping division is available for maintaining ambience, cleanliness & hygiene in all the classrooms, laboratories, libraries, administrative offices and rest rooms.

### 5.3.2 - Presence of an active Student Council and representation of students in academic and administrative bodies/committees of the institution

Student Leadership Council of Kumaraguru College of Technology is an advisory body comprising 30 student presidents of all academic departments, heads of student clubs and forums, sports captains, and NCC student officers. The purpose of the Council is to facilitate students in curricular, co-curricular, and extracurricular activities, ideate, design programmes & policies, introduce, enhance processes and resolve student challenges.

Student Leadership Council members work for the student's well-being and for overall progress through continuous development and strive to enhance students' experience and expectations leading to personal success. They represent their fellow mates in college and bring their needs to the table for discussions and ideations. Student leadership skill can be divided into two parts, first one is leadership role in administration: student members in the hostel, mess committee, cultural event organization, Department Association members, and in various events based on their fields of interest.

The second responsibility is academic leadership in the curriculum development process, which includes Board of Studies meetings, Department Advisory Board meetings, Department Association members, placement representatives, class representatives, student coordinator, class, and course committee meetings. Exchange of perceptions and suggestions from different domains helps a vertical and the team to grow together. They are in IQAC composition as per NAAC and they attend IQAC meetings and express their opinions.

#### 5.4 - Alumni Engagement

5.4.1 - The Alumni Association and its Chapters (registered and functional) contribute significantly to the development of the institution through financial and other support services

CT Alumni Association was registered on 26th February 2016 in the name of Kumaraguru College of Technology Alumni Association under the Tamil Nadu Societies Registration Act 1975 (Tamil Nadu Act 27 of 1975) they have 27000+ alumni around the world. KCT Alumni Association brings the alumni of Kumaraguru College of Technology under one forum for exchange of experience, dissemination of knowledge and talents amongst its members and for the furtherance of fellowship, advancement of scientific knowledge in general of the members of the Association and country. They conduct seminars, conferences, workshops, endowment lectures and other academic activities and to keep in touch with one another of the college faculty, non-teaching staff and students. They provide financial support to deserving students studying at the college.

They help the Alumni to get and provide advice from/to the College on various technical problems and job opportunities that they may come across in their work and real life. To approve/promote establishment of Alumni Chapters at different geographical locations having adequate congregation of alumni and physical infrastructure in the form of clubs or otherwise at various geographical locations. To maintain camaraderie and fraternity amongst the ex-students of the College by encouraging social and cultural association amongst themselves.

?Global Alumni Meet - Every 2 years

?Silver Jubilee Meet - Every year in the month of July

?Reunions like 5, 10, 15, 20, 30 years

**? National & International Meets**

**GOVERNANCE, LEADERSHIP AND MANAGEMENT****6.1 - Institutional Vision and Leadership**

6.1.1 - The governance of the institution is reflective of an effective leadership in tune with the vision and mission of the Institution

KCT has a governance system, driven by Vision, Mission, Values and aims to become one of the best-known entities in the sphere of education. Over these years, top leadership has introduced many policy-oriented, system-based approaches that has led KCT to be one among the Top 100 Institutions in India at present. Vision: Vision is to become a Technical University of International Standards through continuous improvement. Mission: KCT is committed to providing quality Education and Training in Engineering and Technology to prepare students for life and work equipping them to contribute to technological, economic and social development of India.

The College pursues excellence in providing training to develop a sense of professional responsibility, social and cultural awareness and set students on the path to leadership. Values strives to imbibe ethical practices among youth, value based education with emphasis on personal values, family values, professional values, social values, national values and international values. Values and value systems have been established around single core value "Character is Life". Organisational Structure Perspective Plan Based on the Vision, Mission and Values of KCT, a perspective plan has been

drawn with contributions received from stakeholders. Plan envisions KCT to be among the Top 50 Institutions by the year 2025, to be achieved through sustained developments towards (i) Teaching-learning, (ii) Faculty quality, (iii) Outreach activities, (iv) Graduation outcomes and (v) Perception of stakeholders. These are divided into goals and targets, assigned to relevant teams and evaluated through performance review systems.

6.1.2 - Effective leadership is reflected in various institutional practices such as decentralization and participative management

#### Nature of Governance

KCT follows participative management approach in managing functions and decision making, with faculty members from different levels. Based on interest, capabilities developed, and experience gained over a period time, members are inducted into various positions, with equal opportunity. Broad structure is given in the attachment.

Sub-systems, consist of faculty members from different cadres, sex and qualifications (as given in Additional Information). IQAC coordinates activities of sub-systems, collates implementation status and outcomes, and submits the report to stakeholders for their feedback and recommendations. Academic decisions related to design and development of Course Modules, Courses, Curriculum and Academic Regulations are carried out by a team of faculty members - Autonomous Committee, Programme Assessment Committee, Department Advisory meeting, Board of Studies, Standing Committee, Academic Council and Governing Council. Decisions are taken by respective Chairperson/Coordinator and sent to stakeholders for suggestions and feedback.

#### Decentralisation and Participative Management

Though dedicated manpower is employed at every stage, involvement of faculty members and students in every service is evident in implementation and decision making. This has resulted in ability of faculty members to influence the system positively

towards Learning Culture with transparency.

These services bring-in faculty members into decision making and implementing plans, to cater to requirements of students and enhance their learning. Such a decentralised system has led to an inclusive approach in involving faculty members.

## 6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ Perspective plan has been clearly articulated and implemented

Strategic Plan of KCT, which includes Equity and Access as one of the focus areas, aims to support the students with financial incentives, scholarships and stipend through various options, thereby improving the inclusive growth as detailed.

KCT is one of the preferred engineering colleges by the students and parents and it stands as one of the top 3 institutions in the State, in terms of admissions. Every year, students from different communities and socio-economic backgrounds are admitted into various programmes. About 15% of the students belong to First Graduate category, 20% of students belong to low income and middle-income categories, who many a time look for certain financial help.

### Admission Scholarships

KCT, on its own and through philanthropic NGOs (Maatram, Agaram), identify meritorious students and provide admission scholarship, ranging up to 100%. Besides, KCT applies for Tuition Fee Waiver (TFW) scheme under AICTE to encourage meritorious, economically deprived students to join engineering programmes.

### Merit Scholarships

Students of UG and PG programmes are encouraged to perform better in academics, research, extra/co-curricular and outreach activities, and those who actively participate in organising various academic events in the Campus are selected and provided scholarship to excel in their domains. Students, who excel in academic activities, participate in extra-mural events are encouraged with financial incentives to meet their expenses towards design and development of prototypes, registration and travel, disseminating their findings in terms of publications in conferences and IP rights.

6.2.2 - The functioning of the various institutional bodies is effective and efficient as visible from the policies, administrative set-up, appointment and service rules, procedures, etc.

KCT has defined organisation structure and roles that are transparent, documented and implemented according to Institutional guidelines or as per statutory requirements. Calendars of events / activities are prepared for efficient functioning of academic Departments, Centres and Offices.

KCT has policies and processes, work-groups with heads wherever required supported and actively participated by majority of the faculty members. Committees are formed as per guidelines, which give opportunities for members to join and contribute towards growth of the Institution. In order to have the smooth functioning, KCT has 23 policies and SOP.

## 6.4 - Financial Management and Resource Mobilization

### 6.4.1 - Institution conducts internal and external financial audits regularly

KCT has a dedicated Finance Section headed by Chief Finance Officer (Qualified Chartered Accountant), ably assisted by Accountants and Assistants to facilitate financial transactions. Adequate controls are established to ensure that assets of the institution are safeguarded, and transactions are executed and are appropriately recorded in the books of account. Roles and responsibilities of people at various levels are well defined to ensure appropriate information flow and to facilitate effective monitoring. KCT has a Financial Committee which reviews transactions, activities and suggests processes, procedures and smooth functioning.

KCT has appointed an independent internal audit firm for appraising controls and financial records of and a different audit firm for audit and preparation of annual statements. Audits are carried out with certain objectives, while conducting the audit relevant stakeholders are involved and finally audit findings, objections and suggestions are sent to the Trust Office, Chief Finance Officer and the concerned sections/departments for further actions. This review is done on an annual basis and the findings are discussed with the Trustees.

#### 6.4.3 - Institutional strategies for mobilisation of funds and the optimal utilisation of resources

Financial status and viability of the Institute are monitored and reported by Accounts Section of the Institute, and through third party auditors (Internal Audit and Statutory Audit) to the Institute / Trust Office. Budget preparation process, at KCT, itself provides an opportunity to the Heads of Departments / Centres to understand the financial worthiness / viability, by capturing both possible revenue and expenses, thereby inculcating financial consciousness in their operations.

While there is an overall long term Institutional strategy for optimization of resources, an annual plan for mobilization of funds and optimal allocation thereof are determined prior to the start of each academic year. Together with revenue income, possibilities of extending the use of various facilities with restoration / repair and amalgamating different operations are also considered to reduce the financial burden to the possible extent.

Being a self-financed educational institution, major source (~ 90%) of the income that comes from collection of tuition fee only. However, efforts are taken to reduce the dependency / risk on depending purely on tuition fee collected from the students, every

year and increase the income from other relevant activities. Accordingly, policies, processes are established to explore newer avenues like offering short courses, industry-driven dedicated programmes, alumni network, philanthropists, accumulating surplus revenues wherever and whenever possible to create reserve corpus.

## 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing quality assurance strategies and processes visible in terms of incremental improvements made during the preceding year with regard to quality (in case of the First Cycle): Incremental improvements made during the preceding year with regard to quality and post-accreditation quality initiatives (Second and subsequent cycles)

The quest to adopt institute-wide quality assurance system was mooted in KCT as soon as the autonomy was conferred as a self-governing process, to innovate and offer best of the services possible to the students and society

### 1. NAAC Accreditation

KCT was granted Five Year Accreditation status in its first cycle of accreditation. Later, in the second cycle, with a CGPA of 3.21 on 4.0 scale, A Grade was awarded which was valid till 02 December 2021. In July 2022, following the NAAC Peer Team visit for third cycle of accreditation, KCT has been awarded A++ Grade, the highest grade awarded to institutions by NAAC with KCT securing a CGPA of 3.62 on a 4 - point scale.

### 2. NBA Accreditation

Out of 13 eligible UG programmes 12 programmes were accredited by NBA.

### 3. Higher Studies

Number of students pursuing Higher studies increases from 2 % in 2020-21 to 9.5% in 2021-22.

#### 4. Teaching - Learning Process

During the Pandemic all the teaching contents were digitalized and provided to the students for easy learning.

#### 5. Library

By conducting regular webinars and awareness , the footfalls of library have increased.

#### 6. Audits:

Academic and administrative audits are conducted regularly and the outcomes were analysed thereby increasing the performance of the institution in all ways.

Also Energy audit and Green Audits were conducted to enhance the campus sustainability.

6.5.2 - The institution reviews its teaching-learning process, structures and methodologies of operation and learning outcomes at periodic intervals through its IQAC as per norms

Academic audit is process of quality improvement in academic system, leading to student success. Audit involves self-study, peer review and site-visit, organised by IQAC to facilitate self-reflection and self-improvement of faculty, thereby improving quality of education and following P-D-C-A approach

Audit Head is appointed by Principal, who in turn forms audit team in consultation with Heads. On confirmation of members, an awareness is given by Principal, followed by discussions on processes, checklists, forms and findings of previous audits and methods of presenting audit findings.

#### Audit Process

Conducted twice a year and major audit points and audit documents

are shown in the Table .

#### Audit Points and Records

#### Audit Points

#### Audit Documents / Records

- Timetable
- SyllabusCoverage
- Records
- Course plan
- Assessment Patternand Marks
- Course materials
- Lab Manual/Workbook

**INSTITUTIONAL VALUES AND BEST PRACTICES**

**7.1 - Institutional Values and Social Responsibilities**

**7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year**

KCT emphasis a culture that inculcates gender equity, sensitivity and harmony in its social and physical environments. Equal opportunities are provided to girls in admission into various degree programs and women in employment, career advancements and elevation into higher positions in the organization through appropriate Policies (HR Policy, Career Advancement Schemes, Performance Assessment Systems), Committees (Internal Complaints Committee, Grievance Redressal Committee), creating platforms for empowerment (Women Empowerment Cell, Leadership Council), establishing adequate facilities (Cubicles / Cabins, Hostels, Gymnasium and Sports Fields, Restrooms), support services (Women HR Manager, Lady Counselor, Lady Caretakers and Lady Physical Director) and offering academic courses related to Gender Sensitization and Equity.

The Campus provides safe environment to the girls by providing multi-layer safety features. Entire campus is kept safe from intruders by maintaining concrete boundary walls with physical and electronic security systems. 582 IP surveillance cameras and 32 biometric systems are installed to ensure safe check-in and check-out of student with an IVRS system.

Women in KCT are holding leadership positions such as HR Manager, Head of the department, Counsellor, Women Entrepreneurship cell organiser and various committee heads. Girl students are equally participating in all the activities of the institution.

7.1.3 - Describe the facilities in the institution for the management of the following types of degradable and non-degradable waste (within a maximum of 200 words)

KCT has well-laid policies and processes to handle Solid, Liquid, Biomedical and E-wastes. KCT has established Microcosm, which plays the major role in formulating the policies related to waste prevention and waste handling and elimination, thereby moving towards a "sustainable, green campus". Department of Facilities with the dedicated manpower, takes care of collection, segregation and disposal of wastes, safely. Wherever possible, suppliers are advised / negotiated to use minimum amount of packing materials thereby reducing waste generation. Manures produced using the bio composting (Yard Capacity (1.5 Tons)) of wastes are used in the kitchen-garden to produce the vegetables to the extent of (90 tonnes/year).

Resource Recovery Park is an integrated solid waste management facility created within KCT with an area of 50 cents within KCT campus. Waste generated in the campus are segregated and disposed responsibly through composting, upcycling, recycling, incineration and scientific land filling through this facility. Wastewater collected in the campus are treated in the Sewage Treatment Plant,

with an installed capacity of 10 LLPD, with a storage capacity of 2 Lakh litres, is used for gardening and irrigating the landscapes.

KCT, do not use any radioactive wastes in any form and so handling and disposal of these wastes do not arise. With respect to the biomedical wastes that arise out of the Campus-Clinic (Hospital), safe collection and disposals are ensured through Local Municipality Waste Collection system.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e. tolerance and harmony towards cultural, regional, linguistic, communal, socio-economic and other diversities (within a maximum of 200 words).

KCT provides equal opportunity to the young aspirants in admission into various programmes to ensure equity and access in higher education. Students of different socio-economic status like are admitted and students who are from economically weak admitted under Tuition Fee Waiver (TFW) schemes of AICTE and State Government. Besides, students who belong educationally backward sections are given preference under the First Graduate (of the Family) Scheme (CCC students) during the admission. Also, students with meritorious record in sports, persons with disability, wards of ex-servicemen are given preference in the admission, following the norms of the DoTE.

KCT ensures equity among different communities by strictly following the Reservation Policies of State and Central Government and currently has students from SC/ST, OBC and other categories and such students are provided equal facilities and access without any gender and caste discriminations.

Inclusive environment provided by KCT also facilitates students with different linguistic and cultural backgrounds comprising Hindu, Muslim, Christians, Gujarathi, Sindhi, Jain, Sourashtrian, Rajput and other regionally dominant. Also geographical diversity or regional inclusiveness is demonstrated by admitting students from Andaman and Nicobar, Andhra Pradesh, Jammu and Kashmir, Karnataka, Kerala, Maharashtra, NCT, Pondicherry and a few foreign countries through NRI Quota.

profession and country. In order to continuously reinforce the contributions of national leaders, among the young students, common facilities are named after the leaders like - Mahatma Gandhi Study Centre, Vivekananda Student Centre, Seminar Halls named after Vikram Sarabhai, Vishveshwarya and full-body statue of Swami Vivekananda has been installed in the Institution.

Gandhi Jayanthi is celebrated every year to commemorate the doctrine of nonviolence and special gathering is arranged for faculty and students with a special speech. Pongal is a traditional festival celebrated to acknowledge the sun, rain, soil, water, and cattle.

## 7.2 - Best Practices

7.2.1 - Provide the weblink on the Institutional website regarding the Best practices as per the prescribed format of NAAC

### Best Practice - I

**Title of the Practice : Project Based Learning for B.E./B.Tech Students**

**Objectives of the Practice :**

**Project Based Learning strives to**

- Create a student-centric teaching-learning process.
- Develop socially relevant engineering projects & project ideas.
- Create socially responsible engineers, thereby supporting the development of the social system.
- Give real-time exposure of engineering projects with industry standards.
- Equip the candidates with necessary skills and technical knowledge required for placement.

- Enhance the communications skills and soft skills of the students

## Best Practice- II

Title of the Practice: ProtoSem - Prototype Semester

Objectives of the Practice :

ProtoSem is an Open Innovation Fellowship Program, designed and developed by KCT-Forge Academy embedding an innovation-centred approach to engineering education. The program enables students with the necessary skills and competencies to solve real-world problems and develop tech-enabled solutions for the needs of industry, corporations, startups, and society.

## 7.3 - Institutional Distinctiveness

7.3.1 - Highlight the performance of the institution in an area distinct to its priority and thrust (within a maximum of 200 words)

### Innovations in Education

KCT has been introducing innovative features in the Regulation and Curriculum and was one of the first Engineering Colleges in TN to plan for CBCS in 2009. Suggestions and participation of stakeholders in addressing future manpower helped KCT to start distinct programmes, MBA - Innovation, Entrepreneurship and Venture Development, MTech - Technology Management and revising curriculum to achieve 90% plus courses focusing on Skill Development, Employability and Entrepreneurship

### Innovations for Research

On realising the needs to enrich education through research findings, KCT started its efforts by establishing research laboratories, support systems and different centres. Students are inducted as interns at Re, iQube, Garage, KC.IRI and Forge

Accelerator with financial incentives and are involved in projects funded by various agencies. IP Cell created through Institutional Innovation Cell facilitates dissemination of research, supporting IP claims through patents/copyrights.Coimbatore Innovation and Business Incubator, supported and catalysed by DST provides a platform to students, faculty members and public to incubate new ideas into products/processes.

#### Innovations for Quality

Quality has the focus on Life of Students and Faculty on Campus, ensuring sustainable measures within the campus, networking with communities, villages and industries for enhancing livelihood of public. Supporting the artisans, retaining traditional culture and values by coordinated efforts of Management, Faculty Members and Students are seen as the best practices.KCT has established Microcosm with a focus to ensure the implementation of sustainable practices in using natural resources, waste management and introducing innovation.

#### 7.3.2 - Plan of action for the next academic year

1. Introducing new programmes in MBA.
2. Increasing the intake of students in computer cluster.
3. NBA accreditation for 75% of eligible programmes.
4. MoUs with prominent institution and industries.
5. Sustainable Campus.
- 6.Increasing institution visibility.
