

DEPARTMENT OF TEXTILE TECHNOLOGY

KCT- GRASIM Liva Resource Centre

Kumaraguru College of Technology, Dept. of Textile Technology, in association with Aditya Birla Cellulose and Grasim Industries Ltd., launched The Liva Resource Centre on November 20, 2023. The main focus of the Grasim Sponsored Liva Resource Center is to exhibit the latest developments in fibers, yarns, fabric collections, catalogs, etc., to create awareness and a hands-on feel of products for the students. Students explored new fibers, yarns, and fabric developments and were given ample opportunity to create new product designs and developments.
