An Overview of the event report :		

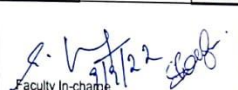

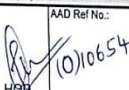

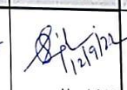

(It should be 2 page report with the following points)

Blank Coding: Output of varied codes will be provided wherein the code consists of certain blanks which have to be found out by the participants effectively. This would require the participants to have a knowledge of how algorithms work and to work on more to improve its efficiency.

Outcome of the event :

An offline programming hackathon-based event to let the students know their potential in competitive programming as well as guide them through efficient coding skills

The poster features logos for Kumaraguru College of Technology, Institution's Innovation Council, IQAC, and ACM Chapter at the top. The main text reads: 'Department Association Of Information Technology Invites you to Runtime Warriors'. It specifies the date as 15 SEPTEMBER 2022 from 10.40 a.m to 12.40 p.m at SE LAB, 3rd Floor ADM Block. A quote follows: 'Welcome aboard sophomores!! No nation is complete without its own engineers. "Runtime Warriors" is a technical event hosted by us on the account of "Engineers Day 2022".' At the bottom, it says 'code | compile | calibre' and lists the faculty co-ordinator as Prema Arokia Mary G - AP | IT and the students co-ordinator as Siddharth & Kalaivanan.
