## **10.** An Overview of the event report :

The event start ed with a hard aptitude test where the participants were grouped in two per team. The best 5 teams with the highest marks in the test where qualified to the next round. Round 2 was a game of movie guessing where the participants picked a chit from a bowl of c hits which were shuffled. One of the participants has to draw the hint of the movie for the other participant to guess. The first two teams qualified to the final round. Round 3 final round was a rapid fire round where the teams were made to see a picture of room full of things . The two teams had to tell exactly what things or items were there in the room (rule is you can't repeat the thing or can't say the item which the other team told).

## **11.** Outcome of the event:

The event was fun event which was testing your aptitude and your spontaneous and team working skills.
